

Company ("DTC").<sup>3</sup> In connection with the implementation of the NSCC-DTC Agreement, a definition of a "Clearing Agency Cross-Guaranty Agreement" was added to NSCC's rules. The definition was limited to registered clearing agencies because NSCC believed that only registered clearing agencies would enter into such arrangements.

In 1995, the Commission approved a proposed rule change filed by NSCC to establish the Collateral Management Service ("CMS").<sup>4</sup> In order to provide their participants with a more accurate and broader picture of the aggregate amount of their clearing fund deposits and collateral, NSCC and other participating clearing entities recognized that other types of clearing entities should be included in the CMS. This broad category of participating entities is reflected in Rule 53 (CMS Rule) of NSCC's rules which includes clearing organizations affiliated with or designated by contract markets trading specific futures products under the oversight of the Commodity Futures Trading Commission. The proposed rule change modifies the definition of clearing agency cross-guaranty agreement to permit NSCC to enter into limited cross guaranty agreements with the same broad category of clearing entities as provided in the CMS.

## II. Discussion

Section 17A(b)(3)(F)<sup>5</sup> provides that the rules of a clearing agency must be designed to assure the safeguarding of securities and funds in the custody or control of the clearing agency or for which is responsible. The Commission believes that cross-guaranty agreements can serve as a method for further reducing clearing agencies' risk of loss due to common participant's default. Consequently, cross-guaranty agreements should assist clearing agencies in assuring the safeguarding of securities and funds in the custody or control of the clearing agency or for which it is responsible.

## III. Conclusion

On the basis of the foregoing, the Commission finds that the proposed rule change is consistent with the requirements of the Act and in

particular Section 17A of the Act and the rules and regulations thereunder.

*It is therefore ordered*, pursuant to Section 19(b)(2) of the Act, that the proposed rule change (File No. SR-NSCC-96-20) be, and hereby is, approved.

For the Commission by the Division of Market Regulation, pursuant to delegated authority.<sup>6</sup>
